## Technical data

### Basic data

|                     |  |
|---------------------|--|
| Series              | 730  |
| Operating principle | Throughbeam principle                                  |
| Device type         | Receiver   |
| Contains            | 2x BT-NC sliding block                                 |
| Application         | Detection of transparent objects<br>Object measurement |
